Suggested Ice Breaker- get the conversation going with the question "If you were stranded on a desert island, what 5 things would you take?"

DISCUSSION QUESTIONS

1. Has there ever been a time that you felt your actions were either stopped or redirected by God? What was it like?
2. Recall what we just learned about Lydia. Why do you think her story is included in the Book of Acts?
3. In Acts 16:11-15, Lydia's heart was opened by God through Paul. In what ways does this story from the Book of Acts demonstrate the role of spreading The Word with other people?
